## AEGLE AVIATION IS READY TO SERVE

**20 SEPTEMBER 2013, HONG KONG** – Aegle Aviation is proud to announce the launch of its aircraft management services and is ready to serve the market.

AEGLE Aviation was founded by a group of highly experienced professionals from the corporate jet management industry, whose mission is to provide corporate jet owners with peace-of-mind throughout their aircraft ownership experiences with a totally reliable service.

AEGLE Aviation’s Chief Executive Officer, Ms Joyce Kee said ‘We, as a team, is fully committed and strive to serve our clients and aircraft owners, aiming to exceed their expectations with our comprehensive aircraft management, aviation consultancy and personal concierge services’.

As a pioneer in the Hong Kong corporate jet market, Joyce has participated directly in the introduction of one of the first corporate jet registered and based in Hong Kong.

Joyce added, “We assembled an extensive group of professionals, rendering a comprehensive set of services, including flight operations, cabin services, safety and compliance, training, maintenance planning and oversight. Our colleagues are passionate about upholding the highest standard of customer service and safety with wholeheartedly cares about clients’ interest. We see being a trustworthy partner for our clients and aircraft owners as our ultimate goals”.

## **Note to Editors**

### About AEGLE Aviation

AEGLE Aviation Limited was established in 2013 with Hong Kong as its operating base.

The company offers services of aircraft management, aviation consultancy for aircraft purchase, pre-purchase and pre-delivery inspections, aircraft registration and certification, manual writing, SMS training, cabin services, efficiency plan for aircraft running and personal concierge services.

The team at AEGLE Aviation has an extensive track record in managing various corporate and airliner aircraft for high profile and high net worth individuals located in Asia, and collectively has decades of experiences in business aviation in the region.

The name AEGLE represents 'Brightness; Splendour like a Diamond' in Greek mythology, signifying the service promises that AEGLE would like to provide to its clients i.e. being prestige and unbreakable like a diamond. The investors of AEGLE Aviation believe that there is a growing need for both genuine and personalized service for private jet owners and the AEGLE Aviation team is fully committed to this goal.
